

Call for Entries Environmental Film Festival in Albania (EFFA) 2015

Festival Concept

The organisers of the third edition of the Environmental Film Festival in Albania (16-23 May 2015) are looking for worldwide environmental movies. Three categories of movies are concerned by this call : short movies (<20min), long movies (>20min) and *EFFA lab* movies.

The *EFFA lab* is a newly created part of the EFFA. This lab aim to help realisators to produce movies in Balkan on environmental subjects. The EFFA organisation will support balkanic movies, offering to the producers the possibility to personally present their work in Albania during the frame of the EFFA15, and offering them media attention. The EFFA organisation will also use the international network of festival to spread these movies worldwide after the EFFA 15.

Eligibility

Films that meet the following conditions will be considered by the jury for selection :

- (1) The call for short, long and *EFFA-lab* movies is open to everyone (no limits are placed on nationality of filmmakers). The movies should be focused on environment in general. Every component of the environment can be concerned, and mutli-disciplinarity approaches will be accepted.
- (2) Entries that have previously been submitted to the EFFA will not be accepted.
- (3) To be part of the *EFFA lab* selection, the movies must be shooted in Balkans (Albania, Slovenia, Croatia, Bosnia-Herzegovina, Serbia, Kosovo, Montenegro, Macedonia, Greece, Bulgaria, Romania). There are no limits concerning the duration of these movies.
- (4) Movies that have been part of any other festival before EFFA15 will not be accepted as part of the *EFFA lab* category. But they can be accepted in short or long movies competition.
- (5) When using copyrighted works such as music and moving image in a film, entrants must complete required licensing procedures before submitting the film. If an award winner is later found not to obtain the copyright owner's permission, its award may be canceled. The host assumes no responsibility for any issues on that matter.
